

O SING A NEW SONG

(Psalm 96)

word adaptation, music,
and arrangement by Merla Watson

Sing a new song unto the Lord: Sing a new song and bless His name;
O sing a new song unto the Lord: Sing unto the Lord, and bless His name;

Sing a new song unto the Lord: Sing a new song and bless His name;
O sing a new song unto the Lord: Sing unto the Lord, and bless His name;

Sing a new song from day to day, Sing a new song while ye may;
Show forth His salvation from day to day, Sing praises unto Him while ye may;

Sing a new song, He is worthy of praise, Sing a new song with the strength of your days;
The Lord He is great and worthy of praise, Sing unto the Lord with the strength of your days;

Sing a new song, let the heavens rejoice, Sing a new song to who gives us a voice.
O worship the Lord, let the heavens rejoice in God the creator who gives us a voice.
